Empowering Youth Navigating Stressful Life Events

The Upopolis community and programming are for youth ages 13-23.

To join, youth can ask a member of their health care team, support program staff, or a school teacher to make a referral at Upopolis.com or express interest by emailing support@upopolis.com

Upopolis offers online communities to connect:

YOUTH LIVING WITH A MEDICAL DIAGNOSIS OR CONDITION

SIBLINGS OF YOUTH LIVING WITH A MEDICAL DIAGNOSIS

YOUTH NAVIGATING GRIEF

YOUTH OF ADULT PATIENTS OF CRITICAL ILLNESS

Educating and empowering youth to play an active role in managing and coping with their diagnosis, condition, or situation through peer connection, reliable information, psychosocial support, fun and more.
